ONE HUNDRED REASONS WHY YOU SHOULD

BUY A BANK ACCOUNT

(CONTINUED)

It gives you the benefit of the experience of older business men, who have been "through the mill."

Money kept in your house is never safe; it becomes the easy prey of the midnight burglar.

It is stolen and collected by someone else by means of a forged endorsement, you do not lose anything, for the various endorser or the bank must make good the amount.

Nine-tenths of the business of the world is carried on by means of checks, drafts, bills of exchange, etc.

MARCH 24, 1909.

STATE OF MISSOURI
COUNTY OF BARRY
City of Monett

To the qualified voters living in the Monett public school district, state and county aforesaid. We the undersigned members of the Monett school board, having been in a position for the past two years to satisfy ourselves as to the character, standing and qualification of James McNally as a public school teacher, having taught in our schools almost two years, we find in him a splendid instructor, a gentleman and a man worthy of the avocation in which he is engaged. We would therefore recommend to the qualified voters of Monett school district that they support him as their choice for the office of County School Commissioner (for which he is now a candidate) on the 6th day of April, 1909.
